DETAILED ACTION

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Christopher Bernard on March 31, 2005.

The application has been amended as follows: non-elected claims 1-15 have been cancelled.

Reasons for Allowance

Claims 16 and 20-34 are allowed. The prior art of record does not appear to teach or disclose the instantly claimed limited play data storage medium with the instantly claimed photo-bleaching retarder. The examiner has given patentable weight to a limited play data storage medium, and the claimed were examined on these merits. The terminal disclaimer filed 3/21/05 has been approved and is of record.
